

# Add Some Pumpkin Power To Your Halloween Party!

Submitted by: Piracy Corporation

Thursday, 6 October 2016

---

Now available nationally, Coldpress' 'Pumpkin Power' juice is perfect for adults and kids alike at Halloween parties!

Delicious pumpkin puree is blended with apple juice, carrot puree, apple puree, pineapple juice and lemon juice. Then it's complemented with a dash of ginger puree and cinnamon for a warming bite!

Available in both 250ml and 500ml bottles, the juice features no added sugar and one 150ml serve counts as one of your five a day.

Because Coldpress juices are cold pressed not heated, they naturally cram in more taste, more vitamins and more nutrients than conventional pasteurised juices. So you'll need to drink less juice to get your recommended daily intake of all those lovely vital nutrients!

500ml - £2.79 Tesco, Whole Foods, Ocado.

250ml - £1.49 Waitrose, Ocado, Whole Foods.
