---

The My-Wishbone Spinner Pendant (<http://www.my-wishbone.com>) holds a secret message this Christmas, of love, hope or joy, which comes to life when spun. Plus 10% of the profits from each pendant bought will also give a much needed gift to War Child UK (<http://www.warchild.org.uk>) to help protect the world's most vulnerable children.

The pendant comes in three classic metals: rose-gold, gold and silver. The pendant hangs very nicely on the smart 24 inch chain. It's great worn on its own or with another piece and layered; it is very versatile. It also hangs by the heart chakra too, aiding wishes and manifestations which are personal to the wearer. A truly special Christmas gift and great way to give to those in need.

To order go to [www.my-wishbone.com](http://www.my-wishbone.com)

My-Wishbone Spinner Pendant is priced at £85-£100.
