

# Altitude Internet Scoops Top Award From Google

Submitted by: Altitude Internet

Tuesday, 14 March 2017

---

Altitude Internet, A Digital Marketing Agency with offices in Stansted in Essex were awarded a prestigious award at the Google Partners Awards at Google's new London HQ last Friday, 10 March 2017 coming 1st out of 950+ agencies in the UK and Ireland.

Google Partners UK and Ireland Team presented the awards live on stage in front of hundreds of participants and said "Altitude Internet have won the Google Customer Advocate Award 2016 after fighting off stiff competition from agencies across the UK and Ireland. During 2016 Altitude Internet acquired 10 times as many new customers as the average Google Partner in the same period whilst providing exceptional customer service".

Altitude Internet said "to have been recognised by Google for our hard work and performance is thrilling enough but to have come first in the category is amazing and a testimony to the hard work of the entire team across the UK and Ireland. There were 4 main awards for Google Partners, we were nominated for 2 of them and won 1 and being up against some of the biggest names of the industry shows what we're capable of".

Altitude Internet is a full service digital marketing agency based in Stansted with offices in Dublin and helps small and medium sized businesses across the UK and Ireland get their businesses found on page 1 of Google. Altitude offers two main services, Paid Search (often called Google AdWords) and Search Engine Optimisation (often called SEO). These 2 services get clients websites found on page 1 of the natural search results and help to improve their online profile.
