Research by Ovensclean (<http://www.ovenclean.com>) has revealed the top 5 gifts that Mums would most like to receive on Mothering Sunday.

Ovensclean, a network of professional oven cleaners in the UK, asked a national representative sample of mothers what gift they wanted this year for Mother's Day, and the results may surprise you! Read on to find out if you got it right!

## 5th Place - Jewellery

Diamonds are a girl's best friend, right? Well, we're not saying it has to be diamonds, but with 10% of Mums voting for Jewellery it's safe to say that this would be a good choice.

## 4th Place - Beauty/Spa Treatment

Not many women would say no to beauty and spa treatment, so it's not surprising that 11% voted to receive this gift, putting it in 4th place!

## 3rd Place - Experience (i.e. theatre or afternoon tea)

Experiences and time spent with family is priceless, which may be why a day experience was a popular choice, scoring 14% of mother's votes.

## 2nd Place - Gift Voucher

What do you get the Mum who has it all? Choice! 15% of mothers would opt to receive a gift voucher to spend in their favourite store – making your life much easier!

## The Winner - Perfume

Beating off the competition by just 1%, perfume was voted as the gift that most mums would most like to receive on their special day, accumulating 16% of votes! Personal, thoughtful, and luxurious – your Mum is bound to be impressed!

Other gifts that narrowly missed out on a place in the top 5 included hair and beauty products, (9%), a holiday or a night away (9%), home or garden items (5%), clothing (7%) and accessories, such as a handbag (6%).
