

National Geographic Traveller (UK) June 2017 Available On Newsstands Now

Submitted by: APL Media (Absolute Publishing)

Thursday, 4 May 2017

National Geographic Traveller (UK) has picked out 17 of the best American natural attractions in its June cover story. A spouting volcano; a desert valley of bare rock forms; a mountain range that's home to the world's oldest life forms... no other nation does epic landscapes like the US.

It's all part of the new 188-page June 2017 issue of National Geographic Traveller (UK), which has hit the newsstands with a FREE Costa Rica guide.

ALSO INSIDE THIS ISSUE:

Destinations: We explore Puglia — the spike in Italy's stiletto; head to Uganda's Bwindi Impenetrable National Park; venture beyond the beaches of the Cayman Islands; and spend a long weekend in London.

Cities: Our urban highlights this issue include Sydney, Vienna, Addis Ababa and Aarhus. Our picture story, meanwhile, captures the Netherlands' tulip industry.

Smart Traveller: Rediscovering the Titanic; 50 years on from San Francisco's Summer of Love; the best rooms in Tromsø; a tour of Sri Lanka's tea trails; and a trip to Harrogate.

Author Series: Chibundu Onuzo on Lagos.

Travel Geeks: Ask the Experts includes advice on an active summer break in Georgia, and where to see icebergs calving, plus tips on photography and budget transatlantic flights.

PLUS: You could win a five-day trip to Sicily with Prestige Holidays. natgeotraveller.co.uk/competitions

Notes

National Geographic Traveller (UK) is published under license by APL Media Limited, from National Geographic Partners LLC in Washington, D.C. The 180-page travel and lifestyle magazine was launched in December 2010, and is packed full of you-are-there photography, authentic travel experiences and inspiring narratives. natgeotraveller.co.uk (<http://natgeotraveller.co.uk>)

National Geographic Partners LLC (NGP) is a joint venture between National Geographic and 21st Century Fox, is committed to bringing the world premium science, adventure and exploration content across an unrivaled portfolio of media assets. NGP combines the global National Geographic television channels with National Geographic's media and consumer-oriented assets, including National Geographic magazines; National Geographic studios; related digital and social media platforms; books; maps; children's media; and ancillary activities that include travel, global experiences and events, archival sales, licensing and e-commerce businesses. NGP returns 27 percent of its proceeds to the nonprofit National Geographic Society to fund work in the areas of science, exploration, conservation and education. nationalgeographic.com (<http://nationalgeographic.com>)

National Geographic Society is a leading nonprofit that invests in bold people and transformative ideas in the fields of exploration, scientific research, storytelling and education. They support educators to ensure that the next generation is armed with geographic knowledge and global understanding. National Geographic Society aspires to create a community of change, advancing key insights about the planet and probing some of the most pressing scientific questions of our time. Their goal is measurable impact: furthering exploration and educating people around the world to inspire solutions for the greater good. nationalgeographic.org (<http://nationalgeographic.org>)
