

Redhill Business Tackles Three Peaks Challenge

Submitted by: Stocksigns Group

Tuesday, 20 June 2017

A Redhill-based signage company will be taking on the gruelling Three Peaks Challenge (<https://www.stocksigns.co.uk/about-us/rospa-2/3-peaks-challenge/>) on Friday June 23 to raise money for the Royal Society for the Prevention of Accidents (RoSPA) (<https://www.rospa.com/>) Brighter Beginnings Appeal (<http://bit.ly/2skXXNL>). In the space of 24 hours, the team will climb Ben Nevis (1,345m, Scotland), Scafell Pike (978m, England) and Mount Snowdon (1,085m, Wales).

Stocksigns Group, which is made up of Stocksigns (<https://www.stocksigns.co.uk>), Messagemaker (<http://www.messagemaker.co.uk/>) and First Call Signs (<http://www.firstcallsigns.co.uk/>), has provided signage to British businesses for over 60 years. Their dedicated team of experts help companies understand the signage they need and how to ensure they are compliant with the International Organisation for Standardisation (ISO).

The team will consist of members from the Stocksigns Group team and Tom Harris from Gatwick Airport. To celebrate 100 years of reducing risk, RoSPA has focussed on improving the safety of children to avoid accidents. Accidents remain the biggest killer of children and young people under the age of 19.

Donations (<http://bit.ly/2sUbngz>) raised by Stocksigns (<https://www.stocksigns.co.uk>) will help continue running initiatives such as a free 'Life Line' phone service and a parent hub, as well as informative packs that give parents advice and support in protecting their children from accidental harm.

The Three Peaks Challenge (<https://www.threepeakschallenge.uk>) begins on Friday June 23 at 4:00 PM at Ben Nevis. After hiking to the 4,411.18 ft summit, the team will descend back down and drive to the Peak District to begin their ascent of Scafell Pike. From Scafell Pike the team will travel to Snowdon and make their way to the summit with an estimated finish time of 3:00 PM on Saturday June 24.

Stocksigns Group Managing Director Danny Adamson said, "We are putting ourselves through this mighty challenge to help parents give little ones the best possible start at life. Health and safety is at the heart of what we do and being able to support RoSPA in keeping children safe (<http://bit.ly/2skXXNL>) is a cause we are proud to support.

"The team has worked incredibly hard and they have been dedicated to the training. Conquering this technical and enduring challenge is equal parts exciting and daunting, however we are confident we can complete this in the narrow time frame of 24 hours.

"We would love to thank everyone for the support they have shown so far, and our incredible sponsors including Famous Publicity (<http://www.famouspublicity.com/>), Centaur Roofing (<http://www.centaurroofing.co.uk/>), Windmill Tapes (<https://www.windmilltapes.co.uk/>), Metamark (<http://www.metamark.co.uk/>) and NEPlastics (<https://www.neplastics.co.uk/>)."

Stocksigns are aiming to raise £4000 for the cause and have set up two ways in which to donate. The first option is by the Just Giving page (<http://bit.ly/2sUbngz>) and the second is by text. To donate by text please text STOG60 to 70070. You can also follow the team's training and progress by visiting

their twitter page @Stocksigns (<https://twitter.com/Stocksigns>).

About Stocksigns Group

Stocksigns group started life as a screen-printing company in 1955 and have become the go-to company for the very latest in signage and digital printing. The business provides high quality signage for all situations and has made many bespoke pieces for places such as Gatwick Airport.

Stocksigns' sign range also includes all forms of safety signs and general signage including Emergency Fire Escape signs, Road and Traffic Signs, Fire Exit Signs, Braille Signs, Photoluminescent Signs and Hazard and Warning Signs through to No Smoking Signs.

All of Stocksigns' departments are expertly trained in the latest industry innovations, from keeping up to date with legislation to new developments in digital printing. The firm has in-house specialists in design, site surveys, production and signage installation.

The Stocksigns Group also includes First Call Signs and Messagemaker. First Call Signs is a leading provider in quality temporary signage for the construction, events and festival industries. It's sister company Messagemaker is a UK LED sign and display manufacturer with over 20 years' experience.

Stocksigns is a member of RoSPA and the HSSA and its signs are ISO 7010 compliant.
