Business Intelligence & Analytics Conference Europe 2017

(<https://irmuk.co.uk/events/business-intelligence-analytics-conference-europe/>)

20-23 November 2017, London

These co-located conferences will provide an unparalleled networking opportunity for BI, Analytics and Data Management Professionals from across Europe and beyond. Whether you are just starting your journey, you are an experienced practitioner or you would like to understand the role of Data Management, BI & Analytics further, this event is for you.

Benefits of Attending:

- Four Conference Tracks with More Than 65 Sessions with a Focus on Case Studies. Learn from other organisations past successes and challenges. Case studies and contributors include: Royal Bank of Scotland, Zurich Insurance, Financial Times, British Telecom, British Gas, BBC, Department for Environment Food & Rural Affairs, Environment Agency, British Medical Association, ABB Group, BAE Systems, The Co-operative Bank, JLL, Generali Insurance, Microsoft, Yara International, Accenture, Alliander, Kuwait Finance House, International Financial Data Services, Foreign Trade Association, Birmingham City University and many more ...
- Fourteen Half Day Conference Workshops on 20 November. Choose from a wide range of workshops on specific topics to get you quickly up-to-speed or fine tune your performance on Data, BI & Analytics essentials. Choose from introductory or advanced levels.
- Four Full Day Conference Workshops on 23 November. Enhance your in-depth knowledge and skills on Enterprise Data Management, BI & Analytics practice.
- Data and BI Solution Providers. Discuss your Data, BI & Analytics challenges with the world's leading solution providers.
