Temptation Holidays (<http://temptationholidays.com/>) the home of adult only holidays, is pleased to announce the launch of the Sensual Masterclass Series. The very first event will take place at the iconic and prestigious Barbican venue in London on Thursday 30th November 2017.

The series of Sensual Masterclasses will be presented by Sh! (<https://www.sh-womenstore.com/>) the award winning erotic emporium and pioneering female sexuality experts. They will be sharing their expertise and knowledge on the body, pleasure products, role play and tricks and tips, and advice to enhance relationships. The event is divided into six segments of "For Her Pleasure", "The Seductive Arts", "Erotic Fantasy Writing", "For His Pleasure", "Hanky, Panky, Spanky!" and "All Tied Up". Further details for each of these can be found here. (<http://temptationholidays.com/tour-item/sensual-london/>)

The Sensual Masterclass Series has been created for women only (18+) and promises to be a fun, friendly and relaxed night out coupled with lots of laughter. There's also an opportunity for guests to get involved, (that's fully clothed by the way!) and win prizes by participating in the light-hearted games, or to simply sit back, watch, absorb and enjoy!

To celebrate the launch of the Sensual Masterclass Series, tickets are available at the special price of £35.

Doors open at 6.30pm with the event starting at 7pm so there's time to grab a drink in the private guest only area before the main event. The event will last approximately 90 minutes with an interval. To find out more about the event and to book tickets, please click here. (<http://temptationholidays.com/tour-item/sensual-london/>)
