TOP TRUMPS (<http://www.toptrumps.com>) is the classic card game that's been delighting kids big and small since the 1970s. Bringing all the nostalgia are Crazy Cars, Exotic Cars, Fantasy, Horror and Today's Strikers, revealing key facts and figures such as which 90s sport car was the fastest, what 70s b-movie creature has the highest Horror rating and how many international goals your favourite striker had in 1992!

For retro car fans, there's Crazy Cars

EDITOR'S NOTES

Top Trumps is the classic trumps card game that's been known and loved since the 1970s, combining play and discovery for children of all ages. In 1999, Top Trumps was re-discovered in the dusty archives of the world's biggest games company, Hasbro, and brought back to life by Tom Liddell and the team at Winning Moves. Since then over 80 million packs have been sold worldwide, and the game now features top characters from Disney, Marvel Comics, Harry Potter and Star Wars.
