Today, Ceuta Holdings and VBM Associates Limited, a UK-based international management advisory business, announced the establishment of a new strategic partnership. This partnership will provide Ceuta Group's clients access to one of the industry's most respected boutique advisory practices.

VBM Associates specialise in helping organisations around the globe develop and implement pragmatic business solutions to maximise and sustain long term profitable growth. They offer strategic, organisational and operational expertise across a range of sectors including consumer healthcare and FMCG. They have built exceptional relationships with some of the leading national and global players in the industry and count a number of large multi-nationals and SMEs among their clients.

This exciting partnership forms part of Ceuta Group's strategy to continuously enhance the value they offer to their clients through their unique Integrated Platform of services.

Edwin Bessant, Ceuta Group CEO said: "VBM Associates have been a go-to practice in the consumer healthcare and FMCG industry for over a decade, with a reputation for delivering exceptional results for their clients. This strategic partnership offers our clients the expertise of a team who will help them make better strategic choice to improve the operational effectiveness of their business."

Steve Neill, Senior Partner at VBM Associates echoes Edwin's comments: "We are very excited to enter into a strategic partnership with Ceuta Group. We believe that the opportunity to work together will enable both companies to enhance their client offerings and deliver even greater impact and value."

VBM Associates will continue to operate as an independent organisation and work closely with companies across Ceuta Group to collectively support and drive outstanding results for their clients.
