PKL Celebrating after Festival Supplier Awards Double Shortlisting

PKL (<https://www.pkl.co.uk>), Britain's premium temporary and modular kitchen infrastructure specialist, has been shortlisted in two categories for next year's Festival Supplier Awards (<http://www.festivalsupplierawards.com/>).

Cheltenham-based PKL has been shortlisted in the Best Backstage/VIP Supplier & Best Supplier Award category.

The company's work at Wembley Stadium and a number of sporting events last year have contributed to their Backstage/VIP Supplier entry, along with other events throughout the year, including Car Fest and the South of England Agricultural Show.

PKL's contribution to a wide range of events, including Pub in the Park, Countryfile Live, Glastonbury and WOMAD has contributed to its Best Supplier entry.

PKL is hoping its track record over the last year of providing kitchens for extremely complex and challenging sites for festival VIP areas and across large-scale events will stand it in good stead with the judges.

PKL Chief Executive Lee Vines said: "We are delighted to be shortlisted for these very prestigious awards. We realise that being shortlisted is an achievement in itself, but want to go one better and come out winners!

"We'd like to offer our congratulations to every shortlisted entrant. We're keeping everything crossed and looking forward to the awards night in January."

All eyes now turn to the stunning Hurlingham Club, London where the Festival Supplier Awards will be held on Thursday 25th January 2018.

NOTES FOR EDITORS

PKL Company Overview

PKL Group is the UK's leading supplier of modular commercial kitchens, serving a wide range of both

public and private sector markets. With hundreds of temporary kitchens and 10,000 items of catering equipment available to hire, the company supports clients during refurbishments, emergencies and events.

PKL also offers a number of permanent modular kitchen solutions including high-spec commercial kitchen buildings which are delivered to site as pre-built modules, ready for quick installation. The company's KitchenPod and Food Cube products have won various industry awards for innovation and have proven popular particularly in the education and leisure sectors.

In addition, PKL offers catering estate management solutions, as well as specialising in major event kitchen complexes such as those used to feed athletes at events such as the Olympic Games. The company's international division also delivers a wide range of specialist kitchen solutions to sites all over the world, from African mining camps to Antarctic research stations.

Established in 1988, PKL's head office is located in Bishops Cleeve, Cheltenham. The company currently employs around 90 staff and has successfully completed over 10,000 temporary kitchen hires worldwide, as well as over 200 permanent kitchen installations.
