The Landscape, artists and poets of Venice, 'City of Love', are inspiration for a new collection of engagement and wedding rings, by award-winning ethical jeweller, Arabel Lebrusan.

The four standout engagement rings and two coordinating curve wedding bands are each hand finished in the UK and can be made to order from the finest quality Fairtrade Gold (<https://www.arabellebrusan.com/pages/fairtrade-gold>) or 100% recycled platinum.

Every Arabel Lebrusan diamond, from 0.3 to 1 carat, is conflict-free and of Canadian origin (<https://www.arabellebrusan.com/pages/beautiful-ethics>). Each one, GIA certified and meticulously selected for its clarity and sparkle, is as unique as the one-and-only recipient who'll wear it forever.

Evoking the spirit and beauty of Venice, the Giardini, Rialto Venice, Lido and Accademia designs that form this stunning new Venice Collection are each inspired by the magnificent spirals and intricate metalwork that encase the windows and gates of the breathtaking palazzos.

Arabel Lebrusan says:

"Venice has long been a source of inspiration for artists, poets and designers and I couldn't resist the temptation to create a bridal range that reflects the passion, romance and beauty of this, the ultimate city of love".

The Venice Collection (<https://www.arabellebrusan.com/collections/venice-collection>), from £2,153. Beautiful in every respect. Decadence with conscience.

- The soft curvature of the 1.5mm Accademia Ethical Wedding (<https://www.arabellebrusan.com/products/giardini-set-ethical-gold-wedding-ring>) band compliments the Giardini Engagement Ring (<https://www.arabellebrusan.com/products/giardini-ethical-diamond-engagement-ring-18ct-fairtrade-gold>) perfectly and is available in 18ct Fairtrade Gold (<https://www.arabellebrusan.com/pages/fairtrade-gold>) or 100% recycled platinum.
 - Upon completion, every client receives a Certificate of Origin to confirm their hallmarked engagement ring has been made with only the most ethical materials available.
 - Client consultations can be arranged to take place online or in a most convenient place.
