Feminine SuperPowers Press Preview

The Corinthia Hotel, London 24/1/18

What: A taster of the Feminine SuperPowers (FSP) signature one day event.

(Next event February 3rd 2018)

A female empowerment movement (FEM) dedicated to igniting women globally. Founded by three women trailblazing the rise of the feminine feminist, redefining feminism in 2018 the year of the woman.

Aim of the event: To Inspire women to stand up, show up and speak up, smashing their individual glass ceilings to affect massive personal change. Feminine SuperPowers offers unique specialist tools and takeaways to empower themselves on their terms.

Who: Michelle Zelli – Ultimate leading edge psycho-spiritual coach.

Why now? The planet needs the rise of the feminine, toxic masculinity has brought us to the brink. Women are on the march, being called to rise up, rebalance and protect the earth. The world is yearning to embrace feminine power, leadership and change. FSP is a beacon of light.

Who is it for? Women committed to their personal evolution. Women who value style, luxe, edge and sass.

USP: The event and ticket price includes a two week online private coaching programme with Michelle Zelli to support, hold accountable, guide and illuminate. During this time FSP's will embed new habits, new thoughts and new ways of being.

FSP is designed to inspire, educate and entertain women of all creeds, ages and ethos. Founders Michelle, Julia and Cat span three generations - from 20's to 50's - offering a unique reach with a loud and clear message. Our time is now.

The Vision: Feminine SuperPowers is set to become the ultimate Female Empowerment Movement, hosting sell out events around the world. Committed to providing a fertile landscape for change, reflecting the new breed of feminist and redefining feminism for 2018.

Feminine SuperPowers changes lives, changes minds and changes hearts...with sass, edge and smarts.

Topics of interest:

- The rise of love addiction on the modern dating scene.
- Mean mothers - overcoming the legacy of emotional maternal disconnection.

- The menopause - the final feminist frontier.

Stat: 80% of women agreed they made positive life changes after attending FSP and the follow on coaching programme.

Creative Team: Art at the event was curated by renowned light artist Lauren Baker, photography by conceptual artist Inesa De La Roche.

Quote From Adela King - Bravo TV

"How wonderful to be transcended into an enchanting world created by women to enhance and empower the lives of EVERY WOMAN! One in which a multitude of emotions cascaded through me, not only was I captivated, inspired, curious, totally at ease, able to relate but also I learned invaluable information that I am proud to share with my sisterhood."

-Ends-
