

# Trade Skills 4U Launch Electrical Courses in Yorkshire

Submitted by: Trade Skills 4U

Tuesday, 6 February 2018

---

Trade Skills 4U, the UK's premier electrical training company is excited to announce the opening of a brand new facility in Yorkshire on the 8 May 2018.

The company, established since 2005 has been training electricians from across the country for over 13 years, firstly in Gatwick and more recently Warrington.

Opening a state-of-the-art centre in Yorkshire just east of Leeds and situated off the M1 and A1 means customers based in, Leeds, Sheffield, Hull, Scunthorpe, Harrogate and the surrounding areas can easily access the centre. Customers are now able book onto a range of courses being delivered at the centre including; City & Guilds Diploma's, Domestic Installer Packages, Inspection and Testing plus many more.

The new facility will offer brand new state of the art classrooms and workshops that have been built to the highest specifications with the latest technology, as seen in the Gatwick and Warrington centres.

Carl Bennett CEO of Trade Skills 4U said: "I am extremely excited for the new centre to open. We have conducted a lot of research in the area to ensure that this is perfect location to run our courses from. Being based just off the motorway and A1 means it is accessible to those from around Hull, Sheffield and throughout Yorkshire. We can see from the people attending our centres in Gatwick and Warrington that there is customer demand from around the region, so it makes sense for us to expand to this location."

Courses are now available to book online with the first ones starting on the 14th May 2018. However Trade Skills 4U will be holding a special launch day on 8th May which will feature a range of fun activities, free food and drink as well as tours of the facilities. Potential students will also be able to register on free taster sessions for the following days. Watch this space for more information.

Those who are interested in booking a course can be assured that they will receive training from only the best. Students will learn from experienced tutors who have been teaching for a number of years and have worked on the tools as well. Carl continued: "We recruit only the best and most experienced people. We make sure our students receive first class knowledge and advice from professional tutors who have a passion for what they do. We understand gaining electrical qualifications takes a lot of time and effort so we only recruit the best people for the job."

Students can now book onto a range of City & Guilds courses including Bronze Domestic Installer, 2365 Level 2 & 3 Diploma, Electrical Design and Electric Vehicle Charging. To celebrate the opening of the new centre Trade Skills 4U are offering an Early Bird discount on selected courses.
