Dumadu Games (dumadu.com/) have announced the launch of Highway Racing, an endless motorcycle pursuit, with free-to-play Mobile eSports tournaments, powered by RewardMob (<https://rewardmob.com/>).

Dumadu's users will be able to select the tournament option and compete for free in leaderboard style contests and have the chance in winning real money, prizes and cryptocurrency. Highway Racing is available for iOS and Android users and can be downloaded on the App Store (<https://itunes.apple.com/om/app/highway-racing/id730256489?mt=8>) and Google Play (<https://play.google.com/store/apps/details?id=com.arjun.highwayracing&hl=en>).

Headquartered in Bangalore, India, Dumadu is one of the world's leading game design and development companies, offering a wide range of mobile games for iOS, Android and Windows platforms. Pocket Bowling 3D, Basketball 3D, Tennis Pro 3D and the Dark Runner series to name a few.

Narasimha Reddy, CEO of Dumadu said: "Highway Racing marks the start of our exciting Mobile eSports tournaments series, powered by RewardMob. The initial response from our users has been extremely encouraging and has our team working on another four titles already with RewardMob."

Co-founder and CEO at RewardMob Todd Koch said, "Highway Racing is a fun game for our RewardMob users as it's simple to pick up and play. The team at Dumadu have fully embraced the Mobile eSports concept and we can't wait to see the next releases that they have coming up in March'.

The RewardMob app can be downloaded through the iTunes App Store or Google Play. RewardMob will be hosting their first tournament ticket sale starting on Tuesday March 13, 2018. Visit <https://ticketsale.rewardmob.com/> for more details on the ticket sale.
