Imagine a product so gentle that will remove all of your makeup without prejudice! "No stinging, no pulling, no tugging, no kidding!" Non-toxic, effective cleansing without any greasy residue, suitable for all skin types. Our unique, oil-based cleanser is water-soluble and gently lifts dirt and makeup without stripping or disturbing the skin's natural protective barrier the "Acid Mantle". A functional skin care product that removes make-up and cleanses in one simple step. Used as a daily cleanser "Genie ([www.amazon.co.uk/nadur](http://www.amazon.co.uk/nadur))" restores moisture levels to dry, dehydrated skin and helps to reduce the appearance of fine lines and wrinkles.
