

YAMAHA MUSIC LONDON “UNBOXES” GEAR TO GEEK-OUT ON THIS CHRISTMAS

Submitted by: Yamaha Music London (Morvan)

Wednesday, 19 September 2018

Yamaha Music London, the world famous music store in London’s West End has announced the latest Yamaha music-related gifts packed full of amazing technology features to appeal to the geekiest geek this Christmas.

The challenge to find the coolest Christmas presents that deliver excitement way beyond Christmas Day is over! Discover how Yamaha is changing the face of consumer entertainment by adding boundary breaking sound technology and innovation to a huge range of music equipment and exciting instruments.

All products listed below are available to buy instore or can be ordered online at yamahamusiclondon.com.

Relay G10 Wireless Guitar System

Music playing indoors, outdoors or on the move just got easier. Playing guitar should be simple. Just plug-in and go. The Relay G10 is incredibly easy to use – it works just like a guitar cable. Great sound quality and rock-solid performance AND the freedom of digital wireless – all from the world’s easiest, most compact instrument wireless system. £167 inc VAT

Japanese-Made Electric Guitar Pack

The Yamaha guitar workshops in Japan have crafted some of the finest electric guitars ever made, combining breathtaking technology with beautiful design. Today’s Japanese Revstar RSP20CR features the Yamaha tradition for precision and detail along with modern spec and control. This exciting pack also includes Line 6’s Powercab Plus amplifier and Helix effects modeller and processor. The perfect combo for home music rooms or the stage offering an infinite range of great tones along with computer connectivity for recording. £3,199 inc VAT

YEV 104 Electric Violin

A full size four-string violin that combines stunning design with incredible sound technologies which pick up the sound of the entire instrument. This instrument delivers its full sonic potential ideal for stage performance, desk-based or post-production processing and home practice. Possibly the best electric rock violin in the world! £671 inc VAT

The ULTIMATE Entertainment System – DC3 Disklavier Enspire Pro Grand Piano

For those with a luxury lifestyle looking for the ULTIMATE entertainment system, the elegant Enspire grand piano hides the most amazing secret. Inside the handcrafted piano is state-of-the-art piano technology which enables the Enspire to play itself, record itself, be played remotely and network with other Enspire instruments ANYWHERE IN THE WORLD! This instrument will appeal to musicians, songwriters, recording studios and anyone wanting the ultimate entertainment system. £41,931 inc VAT
