Monday, 24 September 2018

Excel Networking Solutions (<https://www.excel-networking.com/>) – the copper and optical fibre cabling infrastructure provider – is excited to announce that they will be exhibiting at a range of events and exhibitions across the world throughout this quarter.

With the recent appointment of John Carrier as a new Country Manager for Australia (<https://www.excel-networking.com/news/excel-appoints-country-manager-%E2%80%9Cdown-under%E2%80%9D>) - a market which boasts plentiful opportunities - Excel is looking forward to exhibiting at BICSI South Pacific 2018 (<https://www.excel-networking.com/event-page/bicsi-south-pacific-2018>). On the 9th and 10th October 2018, a team of Excel specialists will be available at Booth 17 to discuss the latest products that have been added to the portfolio and the impact of the most recent updates to industry standards.

Speaking of Excel's attendance at the BICSI South Pacific Exhibition, Ross McLetchie - Director of Sales - commented, "We are very much looking forward to attending our first BICSI event in Australia. Positioning the Excel brand in Australia is another step forward for the business' international status, allowing us to demonstrate that we are a true global brand, seeking to evolve and achieve success within the worldwide market."

Adding to this, John Carrier commented, "There is a strong foundation to be able to continue Excel's international growth in Australia, and I'm excited to establish Excel at the BICSI event, sharing our product portfolio and technical expertise."

Further to this, on 16th October 2018 Excel's MEA Regional Director of Sales - Krishna Thangavelu - will be representing Excel at BICSI MEA ACE Summit 2018 (<https://www.excel-networking.com/event-page/bicsi-mea-ace-summit-2018>) in Dubai, where a selection of the latest Excel products will be available to see and discuss.

Krishna commented, "The UAE's ICT sector offers tremendous opportunity for adopting the world's latest and advanced technologies. As global leaders in cabling infrastructure, Excel is delighted to partner with BICSI for the second annual ACE Summit, which offers a great platform for architects, consultants and end-users to discuss new technology and continue to improve the quality of the ICT infrastructure in the Middle East."

For further information about Excel Networking's presence at the upcoming BICSI South Pacific (<https://www.bicsi.com.au/events/australia-conference-exhibition-2018/>) and BICSI MEA (https://www.bicsi.org/event_details.aspx?sessionaltcd=MT-1810-DUBAI-ACE) Exhibitions, please visit the website or contact the respective Excel Country Manager; for information about the BICSI South Pacific event, please contact John Carrier (<https://www.linkedin.com/in/john-carrier-6416994/>), and for details about the BICSI MEA event, please contact Krishna Thangavelu (<https://www.linkedin.com/in/krishna-thangavelu-7460284/>).
