Birmingham— Supercar Hire, the UK's most progressive and innovative supercar rental agency, is all set to star in the prestigious Autosport International Performance Car Show (<https://www.autosportinternational.com>), which runs from 10 to 13 January 2019 at the NEC in Birmingham.

Along with a gallery of big names from the motoring world, including Carlos Sainz, Lando Norris and David Coulthard, the world's most important motorsports technology show includes the launch of the 2019 FIA World Rally Championship (<https://www.wrc.com>), Round 4 of the Le Mans E-sports Series, plus a thrilling variety of live racing action, driving demonstrations, record-breaking stunts and celebrity appearances inside the UK's biggest indoor racetrack.

Supercar Hire (<https://www.super-car-hire.co.uk>) itself brings an exciting new dimension to the 2019 show, where it will be showcasing one of the Donington Park-based agency's most popular driving experiences – The Supercar Trio – in which drivers experience handling three top supercars on the open road. In conjunction with their partner company AutoXotica this experience presents an outstanding opportunity to get the feel of driving supercars before hiring them, The Supercar Trio experience can be purchased at AutoXotica stand at the show. In addition to the driving experience, attendees can also hire a supercar on the day with a 10% discount.
