LOVE HENRI LUXURIOUS SHEA BALM: YOUR GO-TO HOLIDAY BEAUTY BALM

Looking to streamline your beauty kit for a trip to the sun? Love Henri's Luxurious Shea Balm is all you need to be a summer beauty this season – in one eco-friendly jar!

Created by leading UK aromatherapist Henrietta Cassar, every gorgeous jar of Love Henri Luxurious Shea Balm is hand crafted and it's the combination of the African shea tree nut whipped into a light butter and soothing, uplifting essential oils of jasmine, bergamot and ylang ylang that ensures it's all you need to care and nourish your skin this winter.

It's light, creamy but intensely hydrating formula is suitable to use on both face and body and is perfect for every day moisturising and it makes the perfect travel companion for winter getaways!

Scoop a just a small amount of Love Henri Luxurious Shea Balm and use it to:

- Nourish dry feet, elbows and hands after a long day in the sun
- Smooth and hydrate dry nails and cuticles that can dry out as the temperatures rise
- Repair and replenish hair – especially important for water babies
- Soften and heal dry, sun-stressed lips
- Prep post-sun skin before using a deep cleansing treatment or mask
- Add rich scented moisture to your everyday face and body skin care routine

The Love Henri Luxurious Shea Balm is part of a collection of 14 premium luxe home and health products created and brought to life by renowned aromatherapist Henrietta Cassar.

Anchored in science, Love Henri encompasses the key principals of aromatherapy while setting new standards of efficacy with the highest possible percentage of oils taken from nature and delivered to you – with love from Henri!

Hand poured in England and packaged in sustainable glass the Love Henri collection retails from £30-£65 and is available at qvcuk.com and on line at lovehenri.com
