

Trade Skills 4U open new training centre in Coventry

Submitted by: Trade Skills 4U

Wednesday, 14 August 2019

Electrical training provider Trade Skills 4U proudly announce the opening of their new training centre of excellence at Westwood Business Park in Coventry. The company, established in 2005 has been training electricians from across the country for over 14 years, firstly in Gatwick and more recently in Leeds and Warrington.

Opening a state-of-the-art centre in the Midlands, just west of Coventry and situated between the M1, M6 & M40 means customers based in Birmingham, Leicester, Peterborough, Northampton, Milton Keynes and the surrounding areas can easily access the centre. Students are now able book onto a range of courses being delivered at the centre including; City & Guilds Diploma's, Domestic Installer Packages, Inspection & Testing, 18th Edition plus many more.

Carl Bennett, Chairman & Founder of Trade Skills 4U (<https://www.tradeskills4u.co.uk/>) said: "I am extremely excited with the opening of the new centre. We have conducted a lot of research in the area to ensure that this is the perfect location to run our courses from. We can see from the people attending our centres in Gatwick, Leeds and Warrington that there is customer demand from around the region, so it makes sense for us to expand to this area."

The new facility will offer brand new state of the art classrooms and workshops that have been built to the highest specifications with the latest technology. The announcement comes as a result of significant growth and investment over the last 18 months. The new centre takes the total to four, with training facilities in Gatwick, Leeds and Warrington, as well as satellite centres offering short courses in London, Tyne & Wear, Cardiff, Hatfield and Maidenhead.

"I am very proud that we have opened our latest centre in Coventry" said TS4U's new CEO Neil Johnson. "This new centre follows the industry leading standards of Electrical training provision we have set at our other centres across the UK, offering the latest techniques and innovation in learning for our customers across the region."

Courses are now live to book online. As part of the launch, Trade Skills 4U will be exhibiting at the Elex Show on the 19th & 20th September at the Ricoh Arena in Coventry. Visit Stand C31 to find out more information or to book a course at the brand-new centre.

About Trade Skills 4U

Trade Skills 4U was founded by Carl Bennett in 2005 and quickly became the UK's No.1 provider of electrical training. With state-of-the-art training centres in Crawley, Coventry, Warrington and Leeds, TS4U qualifies more than 8,000 students every year.
