DAVE BIRSS on How to Get To Great Ideas.
KIM ARAZI on Sensing the Future.
ROBERT CRAVEN on What I Learned From Working With Google.

An Amazing 40 Masterclass Sessions

We have curated a broad range of experts in their field to help delegates understand the different platforms and frameworks in more detail that can help you grow and scale your business.

From how to use LinkedIn, Facebook and Instagram or how to create effective advertising campaigns on social media to building a sales pipeline and learning how to network confidently, our experts are on hand to help you navigate some of the more complex challenges in building a business and brand in the 21st century.

Talk to our previous attendees and book an early bird ticket now – you won't be disappointed!
