Time to clear the air?

Nothing beats the fresh air and the open road. So if you're looking to escape the seasonal flu germs on the Tube - and beat the rush hour crush - get on your bike! BMG Scooters has a huge range of bikes and brands, from Aprilia to Suzuki, all supplied by their expert team who are on hand to offer service with a smile.

Valentine's Day may now be behind us, but you can still feel the love with BMG's SPECIAL OFFER. Purchase the Vespa GTS 125cc and 300cc (bikes start from £4,499) with a 0% HP finance plan and get a free leisure accessories pack, free top box and free Vespa Jet helmet.

But be quick - offer available until 31st March 2020.

Scooters are free to park in most London boroughs. A fuel tank (of around £8) can last up to three weeks - proving very cost effective!
