Hooray for dads! They've got it all: lightning-fast nose-wiping skills, a flaming good barbeque technique and a whole host of silly voices at storytime. But this Father's Day there's one thing they really don't need: the same old gift. That's where a personalised book can save the day. With a little help from your little one, you can create a Father's Day gift (<https://www.wonderbly.com/uk/pages/fathers-day>) that's as unique as their daddy.

I Love Daddy This Much (<https://www.wonderbly.com/uk/personalized-products/you-love-daddy-this-much-book>) follows a day in the life of a child and their Dad and celebrates their special bond. The magic of personalisation is experienced when you add a child's name and choose their character. You can also personalise it with Dad's name - whether he's a Daddy, a Dada or a Pa! The square format and thick, high-quality paper enhances the premium feel. For a truly unique gift, choose from four distinct covers plus add a personal dedication for an extra-loving touch. Priced from 21.99 GBP / 29.99 USD.

3 reasons why it's heart-meltingly perfect for:

- 1) Their first Father's Day. There's no better gift to celebrate Father's Day for first-time dads, and remind them just how much they're loved.
- 2) Making dads cry. The heartfelt message from his little one is sure to make every dad well up (in a happy way!)
- 3) Dads with kids aged 0 – 3. There's no sweeter storytime than daddy and little one snuggled together, reading his Father's day gift from baby.

You Are the Best Dad Ever (<https://www.wonderbly.com/uk/personalized-products/best-dad-ever-book>) champions your dad for being... your dad! Choose 8 special qualities that reflect him, and kazam - a keepsake that dad will treasure forever is created. From classified ads to posters, hilarious (made-up) book titles to bumper stickers, every page is crammed with humorous, personalised details - with dad at the heart of it all. There's a choice of four different covers and each book is printed as a one-off edition, in hardcover. Priced at 21.99 GBP / 29.99 USD.

3 reasons why it's rib-tickling perfect for:

- 1) Seasoned dads. If it's not dad's first Father's Day rodeo, surprise him with a gift he'll never expect, and won't be able to put down. Beats a pair of socks any day.
- 2) Making dads laugh. Packed with hidden jokes and hilarious puns, dads will be in stitches from the first page to the last!
- 3) Dads with multiple kids. Add every sibling's name into the story for an instant family favourite. It's the ideal gift from everyone to one very special dad.

It only takes a few minutes to create a totally unique, personalised story that'll mean the world to dad. And you can show him that thoughtfulness runs in the family, with a personalised dedication from your little one. Last ordering date in the UK is 15th June.
