Last week, London's award winning Indian restaurant Chak 89 greeted Bollywood legend Zeenat Aman.

During her visit to London, Zeenat made the decision to come and dine at Chak 89. She had heard about the prestigious restaurant through her contacts in Bollywood. Looking beautiful and refined as always, Zeenat and her friends were shown to their table and were well looked after by the Chak 89 team. Afterwards, Zeenat spoke to other diners and had some pictures taken before being taken away to her hotel.

Zeenat rose to fame in the 1980s, starring alongside other Bollywood legends such as Amitabh Bachchan, Vinod Khanna and Dhamendra. She has starred in major Bollywood hits including, Yaardon ki Baaraat, Hare Rama Hare Krishna and Qurbani to name but a few.

Chak 89 is well-known for hosting celebrities who wish to dine at the 5 star restaurant. They pride themselves on making sure all diners enjoy the authentic Indian cuisine and experience the excellent service on offer. Over the past month alone, Chak 89 has served several Bollywood stars, including Hrithik Roshan, Rishi and Neetu Kapoor and even Ranbir Kapoor has been spotted.

Judging by the amount of stars that have dined to Chak 89 in the past month it sure does make Chak 89 "A Spice Above The Rest"
