Leading professional French skin care house, Collin Paris (<http://www.collin-paris.com>), is pleased to announce the introduction of their new Morpho-Body Lipo Sculpting Cream (<http://www.lcl-paris.com/gmc/www.nsf/neuf?OpenForm&lang=en>).

This age defying Body contouring cream will lift and firm the contours of the body thanks to a duo of lifting active ingredients:

Ultra Firming: strengthens, firms and protects collagen and elastin fibres.

Lifting and Smoothing: forms a resistant elastic film and reduces skin's roughness.

This Sculpting Body Cream (<http://www.lcl-paris.com/gmc/www.nsf/neuf?OpenForm&lang=en>) has clinically proven slimming effects thanks Unislim®, a revolutionary active ingredient.

Stops the entry of lipids into the fat cells. Reduces the fatty overloads and stimulates lypolysis (elimination of bad fats from the fat cells).

## THE RESULTS:

Refines the thighs by up to 27% in volume.

Reduces thighs by up to 1.9cm in perimeter.

Refines the hips by 17.7cm<sup>3</sup>.

Tested over a 56 day period.

Retail size product 200ml.

RSP: £29.50
