Fine artist and designer Sonya Rothwell aspires to inspire, intending her dynamic silk ties to empower women to "step out of the shadows." The artist designer says;

"Women lead with love. We listen, nurture and empower, using our deep intuition and gentle strength to bring balance. The world needs our equanimity – Mother Gaia is calling us. Ladies, it's time to reawaken our Divine Feminine Power and fix things around here."

Sonya's daughter Peony Anise – "a divine feminine goddess in the making" – is a huge inspiration and driving force behind Sonya's unique new accessories collection; "It's so important for us to empower our daughters and teach them that they can be the change." As Gandhi said 'Be the change you wish to see in the world'.) Peony & Sonya are seen in feature image wearing Sonya's silk ties.

Made in Heaven, hand sewn in Italy, Sonya Rothwell's bespoke wearable works of art are 'rebirths' of her otherworldly oil paintings of the cosmos, creating a fusion between art and fashion. Like space, Sonya's celestial creations expand in all directions off canvas, onto ties, scarves and clothes, as well as fabrics, wallpapers, lampshades and objet as limited edition collectable art pieces that come with a signed certificate of authenticity.

Sonya Rothwell limited edition silk ties are beautifully packaged in octahedron shaped holographic diamond gift boxes designed by Sonya, that magnetically snap open revealing an explosion of colour. RRP £145

This is Sonya Rothwell's first fashion wear collection.

The Artist

Sonya creates from the heart seeing Art as a spiritual alchemy – the divine dance of bringing inspiration into being. Her oil paintings of empyrean consciousness expressing itself (from which her designs are derived) are created by what she calls 'cosmosis' – subtly absorbed minglings with universal forces.

"We are all made of stars, interwoven and infinite"

The Designer

Sonya's eye for style, colour & composition and extensive knowledge of print is built upon many years as a designer, art director and fine artist following her formal arts training at renowned Central St

Martins, London.

The Alchemist

Sonya Rothwell is Alchemist-in-Chief of Gallery Beautiful – a luxury art, fashion, interiors emporium for art lovers of Alchemy showing her Hand-Painted & Limited Edition collections. The Inspiration

Being a nomadic free-spirit ever in search of colour & culture Sonya love adventure. Her urge to leave no stone unturned regularly steers her off the beaten track allowing for sacred time out to also journey within – the essence of her work. Wanderlust abound, she climbed the Himalaya to Heaven – a source of her inspiration – to reach for the stars from the highest place on Earth and photograph her celestial pieces on the beautiful people she met inhabiting Manaslu – Mountain of The Spirit
