Announcing Herald and Heart's Royal Ascot Emporium featuring 12 milliners, selling over 150 hats during the 7 weeks leading up to Royal Ascot and it's all happening in Fulham.

Royal Ascot is the most glamorous event in London's sporting and social calendar, and the five-day event is all about fast horses, fancy outfits and gravity-defying hats! It is the place to see and be seen, to rub shoulders with high society and enjoy a glass a bubbly whilst watching the races!

Herald and Heart is opening its doors for the first Royal Ascot Emporium from Saturday 6th May until the 24th June at 703 Fulham Road, London, SW6 5UL, featuring up-and-coming milliners as well as London Fashion Week tested designers.

Featured milliners include Awon Golding Millinery, The Season Hats, Camilla Rose Millinery, Monique Lee Millinery, Julian Garner Headwear, Giulia Mio Millinery, Louise Georgette Millinery, Toco Fashion, Eliza K Millinery, Miss Mirshka Millinery, Donna Hartley Millinery and last but not least Herald and Heart.

Herald and Heart is set to become THE shopping destination for Royal Ascot aficionados: it is rare to have such a high calibre of milliners as well as exciting emerging designers in showroom. Customers are invited to bring their outfit, take a selfie in front of the flower wall and have a one-on-one consultation with our in-house milliner to find the perfect Royal Ascot hat.
