The bookies (<http://www.online-betting-guide.co.uk/bookmakers.php>) have slashed the odds on a White Christmas (<http://www.online-betting-guide.co.uk/white-christmas.htm>) in London after the weekend's snowfall. With more snow forecasted this week for most of the UK and Ireland, the bookies have responded by slashing odds on a White Christmas across many cities.

Betting on a White Christmas has been an extremely popular market this year, so popular many online bookmakers (<http://www.online-betting-guide.co.uk/bookmakers.php>) have suspended betting for fear of a massive payout. Paddy Power, however, have already paid out on it snowing on Christmas day in London. They made an early payout of £50,000. Victor Chandler are still offering odds on a White Christmas in London @ 5/4, which is almost a 50:50 chance.

For betting in other UK and Irish cities, there's a wide range of odds available, with many Scottish cities being odds on for snowfall on 25th. Click here to compare the odds on a White Christmas (<http://www.online-betting-guide.co.uk/white-christmas.htm>) in your city.

Other Christmas betting specials include Top Christmas TV show (<http://www.online-betting-guide.co.uk/top-xmas-tv-show.htm>) and Top Christmas film (<http://www.online-betting-guide.co.uk/top-christmas-film.htm>).
