Give mum a bit of film star glamour on Mothers Day with this stylish retro floral hairdryer (http://www.looksgorgeous.com/acatalog/Floral_Mini_Vintage_Dryer.html) from www.looksgorgeous.com. It's a lot more original than a bunch of flowers but just as pretty, and being a travel dryer, will stay with her wherever she goes.

The Floral Mini Vintage Dryer is a modern classic where vintage design meets state of the art technology to form a lightweight, portable and practical must have travel essential.

Complete with dual voltage circuitry and two speed settings, the lightweight and ergonomic Corioliss Mini Vintage Dryer (http://www.looksgorgeous.com/acatalog/Floral_Mini_Vintage_Dryer.html) is the perfect travel hairdryer. Tucked inside an endearing travel pouch and powered by an 800w motor, this vintage inspired dryer delivers great drying results and even includes a secure strap to avoid breakage.

Available in plain powder pink and dusky blue as well as floral, price £21.24 plus p&p, the limited edition Mini Vintage Dryer is part of the stylish and funky hair care range at www.looksgorgeous.com.
