Give your mum a gift that's pretty and practical this Mother's Day, and she will appreciate the thought all year long. RusticAngels.co.uk (<http://www.rusticangels.co.uk/index.html>) have some clever gift ideas to make the little things in life easier whilst adding shabby chic charm to her home.

When she's rushing to get ready, this lovely heart shaped vintage inspired shabby chic earring holder (<http://www.rusticangels.co.uk/acatalog/jewellery-holders.html>) will be a godsend, keeping all her favorite earrings paired up, easy to find and close at hand. Available in two sizes, holding either 23 or 50 pairs of earrings. (£7.95 and £9.95)

Make lost keys a thing of the past, with a pretty padded heart key ring (http://www.rusticangels.co.uk/acatalog/Gifts_for_Mum.html) that's easy to spot anywhere in the house or handbag. In a range of chintz or floral designs, embroidered with "Wonderful Mum" or "I love Mum", they make a great alternative to the traditional Mothers Day Greeting Card. £4.95.

Keep the bathroom clutter free with a heart shaped decorative wire basket (http://www.rusticangels.co.uk/acatalog/info_GGBK01CR.html) by Gisella Graham (<http://www.rusticangels.co.uk/acatalog/gisela-graham.html>). Pretty on their own, these baskets in 3 different sizes look even better filled with Mum's bath time pampering treats. £4.95 to £6.95.

Don't forget Grandma on Mother's Day! A "Special Gran" (<http://www.rusticangels.co.uk/acatalog/occasions-candles.html>) candle with the lovely fragrance of lavender and lemongrass shows you remember it's her special day too.
