

Mother's Day Gifts with a Vintage Feel

Submitted by: Lauren Milsom (Left Field Media)

Tuesday, 15 February 2011

Give a Mother's Day gift with a hint of bygone summer days from the new range of vintage and rustic gifts for the house and garden from www.rusticangels.co.uk. (view at www.rusticangels.co.uk/acatalog/the-retreat.html)

Their Scallop Heart Vintage Wooden Trays

(<http://www.rusticangels.co.uk/acatalog/scallop-heart-vintage-trays.html>) will make Mother's Day breakfast in bed an extra special treat. Hand carved by artisans from mango wood, they are individually distressed by hand to give an antique, vintage finish and come in a set of 2 sizes. Large tray 26 x 56cm and small tray 30 x 20 cm (£25.95 set of 2).

Instead of a formal Mother's Day bouquet, go for a charming and unique posy in a galvanised metal jug with an embossed laurel heart

(<http://www.rusticangels.co.uk/acatalog/20cm-galvanised-jug-with-heart.html>). Water tight and hand finished, they come in 20cm or 30cm sizes and will bring year-round charm to Mum's garden. 20cm jug £10.95, 30cm jug £13.95.

Give Mum a perfect place to display her keepsakes and mementos with this gorgeous hand carved Heart Shelf (<http://www.rusticangels.co.uk/acatalog/heart-shelf-with-hooks.html>) with 3 antique nickel hooks and 3 hearts at the back. It's vintage distressed style sits perfectly in any shabby-chic interior, and makes a charming display for hanging hearts, signs, book and ornaments from Mothers' Days gone by!

The new range of distressed vintage home accessories

(<http://www.rusticangels.co.uk/acatalog/the-retreat.html>) are available now from www.rusticangels.co.uk.

Notes to Editors:

Rustic Angels is a giftware, home decor and soft furnishings business with a strong shabby chic, retro and vintage style to their products and designs.

The company launched their range of shabby chic items in 2007 via home parties throughout Surrey and the South East, which led to a constant demand for their product. The www.rusticangels.co.uk website and blog was launched in May 2009
