Proud to be British? So are Rustic Angels (<http://www.rusticangels.co.uk>), the shabby chic, retro and vintage home décor specialists, whose alternative take on Union Jack home accessories (<http://www.rusticangels.co.uk/acatalog/rule-britannia.html>) and gifts make a vivid style statement perfect for this exciting year.

With all things British currently on trend, add some Union Jack style (<http://www.rusticangels.co.uk/acatalog/rule-britannia.html>) to your home with the shabby chic twist RusticAngels are famous for:-

Vintage-inspired Union Jack Paper Chains

(<http://www.rusticangels.co.uk/acatalog/union-jack-paper-chain.html>) (£3.50 for 3m) and cardboard Bunting (<http://www.rusticangels.co.uk/acatalog/union-jack-cardboard-bunting.html>) (£12.95 for 3m) in faded print with fluted edging, evoke a memory of a bygone era and give an instantly festive feel to your room, garden or table.

The monochrome Union Jack Doggy Doorstop

(<http://www.rusticangels.co.uk/acatalog/union-jack-puppy-door-stop-859.html>) is a new twist on the traditional flag, and makes an impossibly cute (and useful) addition to the family!

Your quintessentially English morning cuppa tastes even better when drunk from a gorgeous bone china Love Britannia Mug (<http://www.rusticangels.co.uk/acatalog/jan-constantine-love-mug.html>) (£8.50) featuring the stylish artwork of British designer Jan Constantine.

Whether you're organising a Jubilee Street Party, hosting your own event or cheering our Olympics team in front of the TV, Rustic Angels Best of British home accessories will make sure you're flying the flag with shabby chic vintage style!
