Using Tao Calligraphy Light Massage resulted in 30 years of Chronic pain disappeared! Made me truly speechless – “During the Tao Calligraphy Light Massage, something amazing and extraordinary happened! I began to feel tingling sensations in my abdomen. I have suffered with chronic abdominal pain for over thirty years. I am in pain every day, ranging from 4 to 9 out of 10. The pain has even sent me to the emergency room a few times. Once, I was admitted to the hospital for ten days, but the pain continued. For the past week, the pain had again reached a level 9. When the pain is at this high level, it is very challenging to function and I feel very hopeless. The Tao Light Massage brought immediate relief as my abdominal pain decreased from a level 9 to a level 5. I was so happy. I could function again! Then, the amazing and extraordinary healing experience continued. Over the next twenty-four hours, the level 5 pain reduced to barely a 1! I am truly speechless. My chronic pain and suffering are gone! Tao Light Massage is a most amazing and extraordinary healing and transformation modality.- J. T.”

Using Tao Calligraphy Light Massage to Overcome Depression – “I felt depressed for a few weeks. Sometimes I would feel better, then worse again-up and down. The night before the Tao Calligraphy Light Massage the pain was especially bad. I had deep emotional pain and felt very hopeless. I just wanted everything to end. Inwardly, I clung to the fact that the next day is the Tao Calligraphy Light Massage with Master Sha and that I would be able to ask for support. During the Tao Calligraphy Light Massage, I felt the high frequency and vibration of the Tao Calligraphy Healing Field in my whole body, especially in the area of the heart. A heaviness was taken away from me and I felt calm and peaceful inside. The feeling of lightness lasts and today, a day later, I am positive and hopeful again. For me, it is a

miracle, and I am deeply grateful. – Z.N.”

Using Tao Calligraphy Light Massage to Restore Sleeping Patterns and Remove Pain – “Thank you, Master Sha for your generosity. I have attended your last 2 Tao Calligraphy Light Massage sessions and I experienced profound healing for my spleen. I had a hard time sleeping on my left side and had level 7 pain around my spleen area for more than 5 months. I can now sleep and have no pain. I am beyond grateful for the light and healing you bring to humanity. – M.L.”
