

Luxury Italian Leather Christmas Gifts For Him & Her

Submitted by: Maxwell Scott Bags

Wednesday, 25 October 2017

At Maxwell Scott, our gifts are handmade in our small, family-operated factory in Tuscany from the finest full-grain Italian leather. This rich leather will develop a unique desirable patina over time, reflecting the memories and stories of the recipient.

For added individuality, your Maxwell Scott gift can be embossed by our bespoke service and gift wrapped. This creates a timeless gift with ease. Browse our Maxwell Scott gift edits for him and her and find that perfect keepsake to create unforgettable moments.
