Tuesday, 25 October 2022

Running parallel to the United Nations COP27, the three-day summit, Vision 2045, will take place in Sharm El Sheikh, Egypt from November 7-9, 2022 at the Jaz Mirabel Park Hotel, with the goal of positively impacting the future of our planet through a series of groundbreaking panel discussions in the political, economic and social arenas.

For more details about the event visit, the website and find additional information in the trailer.
Hosted and organized by TBD Media Group, the panel discussions will each address one of the 17 Sustainable Development Goals set by the UN.

The event will be enriched by a number of selected industry experts, including Philips, Moderna, Asics, and R+V Insurance. They are among more than 100 renowned companies spearheading Vision 2045 initiatives. Dorsch CEO Olaf Hoffman and Progress Werk CEO Carlo Lazzarini are also selected experts who will participate in the summit.

We invite you to participate in Vision 2045 and report on the event. Media representatives will have exclusive access to the networking breaks and the opportunity to meet the relevant representatives on-site. In addition, journalists will receive an invitation to the Vision 2045 Gala Dinner.
