The Easter holidays are fast approaching and we are all looking forward to a long weekend following the cold and dreary start to the year. Celebrating Easter is a perfect time to gather your family and friends and spend some quality time together at home, accompanied with great food and drink.

If you tend to only get together for Christmas, Easter is the time of year when you can show your family how much they mean to you. If you're stuck for ideas and don't want to buy the usual naughty chocolate eggs then why not prepare a tasty brunch as a treat for your family this Easter. Don't just jazz up your normal weekend brekkie; make an effort to make a mouth-watering brunch that you can enjoy with your family. Think home made scones with fresh cream, scrambled egg and avocado salad and fruit filled crepes drizzled with honey.

As well as a freshly squeezed juice, catch up over a delicious coffee. For an impressive yet quick and easy indulgence whip up a Heavenly Hazelnut coffee, it'll give you a great energy boost too:

You'll need:

60 ml coffee – for a smooth delicious flavour try Douwe Egberts Cafetiere Blend, or to save time Douwe Egberts Pure Gold Instant coffee will deliver the same great taste

20 ml hazelnut syrup

60 ml hot milk

Whipped cream

Nougatine

And to prepare:

Pour the hazelnut syrup into a mug

Pour the hot coffee in the cup and give it a stir

Add the hot milk

Finish it with whipped cream and a dusting of cocoa powder - Delicious!

If you do happen to have any Easter eggs why not grate them over your Hazelnut coffee to give them a yummy chocolaty finish!
