

Thunderbolt Digital Strikes a Hat Trick

Submitted by: Thunderbolt Digital

Thursday, 2 February 2017

Farnham-based web designers and marketing specialists Thunderbolt Digital Limited (<https://www.wearethunderbolt.com/>) has been shortlisted as finalists in three categories for the prestigious Surrey Digital Awards 2017 (<http://thedigitalawards.co/surrey/>). The winners will be announced on Thursday 9 March 2017 at the HG Wells conference and events centre in Woking.

The team at Thunderbolt Digital are experts in web design and development, with an impressive knowledge of SEO, Social Media and Email marketing. They look after a range of high-profile clients including British Car Auctions, Surrey County Council and Oh Snap Photobooth hire. The Surrey Digital Awards recognises online excellence and encourages the growth of business' digital skillset.

Ahead of the awards Thunderbolt Digital entered websites they had created for their clients. The website for Director, Producer and BAFTA award winner Anthony Philipson (<http://www.anthonyphilipson.com/>), known for shows such as 24 Hours in A&E, Ross Kemp on Gangs, Our Girl and New Blood, has been shortlisted as a finalist in two categories. Thunderbolt Digital created the website which is up for an award in the 'Sports and Entertainment Website' category and for 'Responsive Website'. The website acts as a portfolio for Anthony Philipson's work and shows his background as a director.

Also in the running for 'Responsive Website' is Equinox Aromas (<http://www.equinoxaromas.com>). Equinox Aromas is a leading supplier of essential oils, aroma chemicals and vegetable oils to the fragrance, flavour, cosmetic, pharmaceutical and natural therapy industries. Their website showcases the beauty of their natural products as well as provide visitors with information.

Finally Oh Snap UK (<http://ohsnapuk.co.uk/>) are up for the 'Marketing and Creative' Website award. The Thunderbolt-created website acts as a portfolio for their creative business and promotes their work and ethos.

Thunderbolt Founder and CEO Saybhan Delilkhan said, "It's brilliantly exciting to see our work being shortlisted in three categories of the prestigious Surrey Digital Awards. We pride ourselves on delivering high quality digital websites and marketing solutions, including digital advertising and publicity.

"We're looking forward to the event in March and thank our clients for giving us such exciting projects to promote."

About Thunderbolt Digital

Established in 2013, Thunderbolt Digital was founded by Saybhan Delilkhan, who has over ten years of experience in digital marketing. Having previously worked in sales, Saybhan is passionate about delivering results for clients. He manages a team of nine, including specialists in web design, social media, digital advertising and marketing. The firm's ethos is, work hard: play hard. To this end, staff members have a creative, fun work environment and receive free head massages from a therapist each month.
