In spite of the current gloom, weddings are amongst the most joyful of occasions. So what better way to keep everyone smiling, than to give a unique keepsake gift that has been handmade and hand painted in the UK - for less than £10?

The cutest Bride and Groom (<http://www.trulyforyou.co.uk>) keepsake with the special couple's names and wedding date handwritten on the central heart will surely delight! It comes complete with a "handle" made from curling ribbon all ready to give to the bride. It is just one of the latest unusual and unique designs available, for all sorts of occasions from Truly for You (<http://www.trulyforyou.co.uk/choosedesign.htm>)

Particularly charming for Wedding Gifts, as an alternative to the Bride & Groom design, are the Loveheart Keepsake (<http://www.trulyforyou.co.uk/chooseloveromance.htm>) in the diamonds and pearls finish or - for sheer cuteness - the Topper and Veil design (<http://www.trulyforyou.co.uk/chooseloveromance.htm>), with its smart top hat and hand-sewn veil, or for the more conservative, a classic set of wedding rings, beautifully hand painted on the Gold Bands design (<http://www.trulyforyou.co.uk/chooseloveromance.htm>)

It is so easy to order your fully personalised Wedding Gift (<http://www.trulyforyou.co.uk/chooseloveromance.htm>) by following the 3 simple steps. Truly for You will even send your gift directly (<http://www.trulyforyou.co.uk/howtoorder.htm#anchor1>) to the happy couple if you prefer for no extra charge, saving you time and money.

Keepsake gifts are priced at just £9.95 each which includes UK P&P. They come beautifully presented in a crystal clear display box, but for just £1.95 extra, top quality gorgeous silver sparkly wrap is added with matching gift tag and curling ribbon in a colour to complement the keepsake. Truly for You will even write on the tag!

A very special keepsake for the Big Day with a small price tag. Check out a unique range of personalised gifts at www.trulyforyou.co.uk
